

Friday Night Clinics

Come join us for our first Friday Night Clinic

March 19, 2010. Time will be 4:00-6:00

This will be a hitting clinic, Tee work, soft-toss, and live hitting on the field. Counselors will be from Southern California Baseball Academy as well as other coaches from the area.

These clinics are offered through CJBL to help our players improve their fundamentals, so CJBL players only!

Space will be limited to insure the opportunity for learning at a proper student to coach ratio. To sign up, go to horsepowerbaseball.net and follow the prompts. This will be the first clinic; the next will be March 26, 2010 where we will conduct a pitching and catching clinic with the possibility of some hitting also.

Cost of this clinic is \$20.00 per student, payable the day of the clinic.

We will be doing at least 2 clinics in the months of April, and May depending on availability of instructors and fields.

Come out and experience a great opportunity.

Looking forward to seeing you at the field.
