

PICTURE DAY PLAYER PACKAGE DISTRIBUTION & ON-LINE SPECIAL ORDER ACCESS INFORMATION

Distribution of player photo packages is anticipated to commence by the week of March 23, via Team Parents only. Team Parents will be contacted to pick up their respective team packages during open hours of the "Dugout," (old snack bar). No packages will be released from the "Dugout" to individual parents or players.

Players absent on Picture Day, or who have closed eyes in their picture, should attend the Make-Up Picture Day on April 14 (see notes below). In the event a Team Parent determines a package is missing, please identify the player from the photographer's on-line display (page, row and position) and relay the information to Sue Briggs, the Picture Day Coordinator, via the CJBL website link or telephonically via your League Representative.

Parents may additionally visit the Nationwide Sports Photography Network (NSPN) website at www.nationwidephoto.com for any additional special orders. The NSPN link is also available on the CJBL website. Player and team pictures may be accessed within the NSPN Photo Gallery by clicking, "Show All" and selecting CJ 2/21/2010. The password, on request, is "BASE."

CJBL PICTURE MAKE-UP DAY

The CJBL Picture Make-Up session has been scheduled for Wednesday, **April 14, 2010, at 4:30 p.m. sharp** at CJBL in the area adjacent to the barbecue and Senior field. The photographer will only be on site for 30 minutes, so it is essential that players arrive on time. All players who were absent on Picture Day or who have their eyes closed (no other exceptions) in their package picture should attend in uniform, with hat and glove. Players requesting a photo retake due to closed eyes are requested to bring their original package (excluding the Team Picture) with them to the make-up session. If there are any questions, please contact Sue Briggs via your Team Parent/League Representative or the CJBL website link.
